## Pulp friction

Squeeze the most out of summer with these clever and colorful citrus juicers. Your drinks will thank you.

### 1. FLASH CHILL LEMONADE MAKER

It juices, it serves, and then an airtight top (not shown) seals for spillproof storage. \$30; [takeyusa.com](http://takeyusa.com)

### 2. SOMBRERO JUICER

Funnel your hard-won elixir (sans seeds) directly into a bottle. \$5; [umbra.com](http://umbra.com)

### 3. KRUPS ZCB00 CITRUS PRESS

If James Bond had a juicer, it would be this one. The one-size-fits-all-citrus cone whirs to life when you press the fruit to it, then stops when you release. \$96; [amazon.com](http://amazon.com)

### 4. CATCHER CITRUS REAMER

Pips, pith, and pulp are happily left behind in this handheld scoop. \$8; [josephjoseph.com](http://josephjoseph.com)

### 5. FIX LEMON SQUEEZER

The minimalist's dream—a stoneware dish with an elegant pour spout. \$20; [raredevice.net](http://raredevice.net)

### 6. LEMON PRESS

Do the hand-squeeze method one better with this assist. It evenly squirts juice out the bottom, no splashing, and easily slides into the fridge to protect unused lemon halves. \$8; [lekueusa.com](http://lekueusa.com)

### 7. FRESHFORCE LEMON CITRUS JUICER

No lemon can withstand the power of this handheld press. \$20; [surlatable.com](http://surlatable.com)
